### Step 1: Choose a Drive

Thank you for taking the time and effort to organize a collection drive to help the homeless and needy in our community.

There are a variety of drives from which to choose. Choosing the right drive for you and your team can make all the difference between a low interest and an exciting and compelling drive.

### Step 2: Motivate Your Team

Getting others involved is the key to the success of any drive.

Building excitement while putting compassion in action is the doorway to fulfillment. Here are some methods that work:

*Competitive: provide a way for one team to "out do" the other*

*Compassion: make your team aware of the needs they are meeting*

*Contribution: everyone has something to give*

### Motivational Tools

- Progress-o-meter
- Appreciation gifts
- Awards, trophies, and plaques
- Pizza party
- Celebration event photos
- Social recognition
- Matching gift program

### Step 3: Promote the Drive

Building and sustaining the participation of a drive team is important. We encourage you to use announcements, posters, and collection boxes to keep your team aware of details and deadlines. Wheeler literature is also available.

### Promotional Tools

- Announcements
- Drive collection boxes
- Sample display items
- Volunteer log sheets
- Social media (Facebook, Twitter, etc.)
- Wheeler literature

- Text messaging
- Flyers
- Posters
- Email
- Meetings
- Website

### Step 4: Post-drive Planning

- Complete log sheet of man hours
- Assign a team member to arrange delivery of items and log sheet to Wheeler Mission
- Schedule a tour of Wheeler with your Drive team

### Step 5: Special Recognition

Celebrate your team's accomplishments with a special party, meeting, or gathering. Provide a meaningful memento of what was accomplished.
