

BEST CHRISTIAN
workplaces

August 7, 2023

Dear Perry,

I am honored and thrilled to congratulate you and Wheeler Mission on your accomplishment of being certified as a Best Christian Workplace for 2023! Your engagement survey results make it clear that you value strong employee engagement and desire to have a flourishing workplace culture. We are even more excited about the testimony your healthy workplace culture demonstrates about Christian leaders and about the very nature and character of God. Best Christian Workplaces supports and applauds you and your staff as you lead in the name of Christ - serving both your employees and those your organization impacts (Matthew 25:34-40). We know that flourishing Christian workplaces serve to attract people to Christ. Thank you for your powerful contribution to that mission.

In North America and around the world, hundreds of churches, parachurch & mission organizations, schools & universities, media outlets, and Christian-owned businesses are setting the standard as the best, most effective places to work in the world. You join a growing group of leaders who understand the significance of a flourishing culture.

We are pleased to add Wheeler Mission's name and link to your website to our list of Certified Best Workplaces on our website. We have provided you with our 2023 certification badge via email that you may display proudly on your website. It is our prayer that you will continue to be inspired and equipped to support and develop a flourishing workplace. God bless you in your leadership and ministry impact!
